December 11, 2001

Sir:

Applicant submits herewith information of which he is aware, which believes may be material to the patentability of any claim and in respect of which there may be a duty to disclose in accordance with 37 CFR § 1.56.

In accordance with 37 CFR § 1.97(g), the filing of this Information Disclosure Statement shall not be construed to mean that a search has been made or that no other material information as defined in 37 CFR § 1.56(a) exists.

While this Information Disclosure Statement may be "material" pursuant to 37 CFR § 1.56, it is not intended to be construed as an admission that the information cited in the statement is, or is considered to be, material to patentability as defined in 37 CFR § 1.56(b).

The Applicant has now received the following prior art references 1-5 in connection with the International Search Report dated 10 October 2001, from the European Patent Office in the counterpart International Patent Application.

According to the Agreement between the US and the European Patent Offices, the prior art references cited in the International Search Report should have been forwarded to the US Designated Office by the European Patent Office. If the references have not been properly forwarded to the US Designated Office, Applicant hereby requests that the US Designated Office notify the undersigned Attorney for Applicant immediately.

The prior art references are set forth below and on the Form PTO-1449.

1. **US 5 842 175 A (ANDROS TODD ET AL) 24. November 1998 (1998-11-24)**
